Alex Sirani	422A50	Audi Beverly Hills

In an effort to raise brand awareness to sales personnel and add additional reward opportunity, an offer is being presented to each program participant to be entered for a chance to win 1 of 10 BeoPlay Earset 3i (MSRP \$199), each month, for TWO (2) months – (December and January). Each participant selling a **Bang & Olufsen Advanced Sound System**, within a month, will be entered into the monthly drawing. Each sale will be considered an entry for that month. Audi will submit the names of each eligible participant based on the current month sales. Each of the monthly drawings will be conducted the first week of the next month. The winners will be notified and names posted to the Announcement section of the program website. Once the winners have been notified, rewards will be shipped that same week via UPS to the participants dealership address, unless otherwise noted.
